CODE OF CONDUCT

At BROCK CORYDON DAYCARE, we strive to provide a safe, caring, learning environment for children, staff, and families. We believe in equality and respect diversity.

The following people are expected to behave in a respectful manner and comply with this code conduct.

- management and staff members
- children
- parents/guardians of children enrolled
- all others involved with our centre

Guiding Principles for Appropriate Behaviour

Be Respectful

We are respectful of ourselves and other people. We are respectful of the ideas and feelings of others. We are respectful of the environment, equipment, and materials.

Be Safe

We work and play safely to help keep ourselves and others from getting hurt.

Be Cooperative

We solve our problems by talking and listening to each other respectfully to find a solution. When we cannot solve a problem ourselves, we ask for help.

Be Supportive of Learning

We learn to the best of our abilities and support the learning of others.

Developmental Capabilities of Children

We understand that it is normal for children to display inappropriate behaviour at times for a variety of reasons. The developmental capabilities of each child will always be considered when determining both expectations for behaviour and consequences of inappropriate behavior.

Appropriate Use of Technology

All children, parents, staff, and others involved in our center must use e-mail electronic devices and the internet according to our policies. This protects people's privacy and the confidentiality of information.

Unacceptable Behaviours

The following behaviours by children, staff, parents, and others involved in our centre are unacceptable:

- all forms of bullying (physical, verbal, emotions, social or cyber bullying), including comments actions or visual displays that are intentional, hurtful, and repetitive.
- harassment, including behavior that degrades, demeans, humiliates, or embarrasses someone that a reasonable person would know is unwelcome
- all forms of abuse (sexual, physical, or psychological), including verbally, in writing or otherwise
- discrimination against any person or group because of their age, gender, economic status, race, religion, family lifestyles and individual abilities
- actions that put another person at risk of harm, including violent physical acts (with or without a weapon) and threatening someone

Proactive Strategies

We actively strive to create an environment that supports the health, safety, and well-being of the children by:

- having realistic and developmentally appropriate expectations for behaviour
- setting up the environment and materials to encourage appropriate behaviour and reduce potential for inappropriate behaviour
- planning a program based on children's interests and developmental needs
- establishing consistent yet flexible schedules and routines that help children gain trust, security, and self control

We create a positive environment for children, parents, staff, and others involved in our centre by:

- developing positive relationships, including making time to talk and listen
- establishing clear, consistent, simple limits
- stating limits in a positive way and periodically reminding people
- providing explanations for limits
- working together to solve problems
- modelling and encouraging appropriate behaviour

Consequences for Inappropriate Behaviour

We will consistently respond to inappropriate behaviour by children, parents, staff, and others involved in our centre by:

- reminding people of expectations and limits
- using a respectful approach to explain why a behaviour is inappropriate and what behaviour is expected
- talking only about the behaviour, not labelling the person
- responding sympathetically and acknowledging feelings
- establishing natural, logical consequences

Depending on the severity and frequency of the behaviour, we will consider further steps such as:

- having an informal and formal meeting to discuss concerns and to develop an action plan to encourage appropriate behaviour in the future
- giving a written warning that outlines specific concerns and consequences if the behaviour continues
- developing a written contract with an adult or older child that outlines specific expectations and consequences
- accessing outside resources for help such as:
 - a behaviour specialist or other professionals to help staff understand and reduce a child's inappropriate behaviour
 - child and family services to access parenting supports
 - mediation services to resolve conflicts between adults
- the Manitoba Human Rights Commission for information and advice to resolve an issue informally or to make a formal complaint if the behaviour involves discrimination or harassment

- the police to assist with threatening behaviour

In extreme cases, we will take additional steps such as:

- suspending or dismissing a staff member

- suspending or withdrawing childcare services because of a child's or family member's inappropriate behaviour

- in the case of a visitor not allowing the person to return to the centre

- contracting the police and/or child and family services (CFS), if the behaviour is illegal such as abuse, assault or threatening another person
